**ICESCO EDUCATIONAL LECTURES**  
**« DISTANCE EDUCATION IN THE TIME OF COVID-19 »**

## ►► General framework

With regard to enriching the contents of “**ICESCO Digital Home**”, launched by the Islamic World Educational, Scientific and Cultural Organization (ICESCO) to support the efforts of the international community to fight COVID19 pandemic; and ensure the continuity of the educational process following the closure of schools, universities and training institutions, and given the current massive use by students and educational staff of audiovisual and online learning facilities at home;

The Organization launches “**ICESCO Educational Lectures: Distance Education in the time of Covid-19**”, with an aim to strengthen the role of distance education and the use of digital resources and services ensuring thus the continuity of the teaching and learning process.

This initiative provides access to educational video lectures presented by experts specialized in various educational fields from different countries, about the most efficient uses integrating ICTs to ensure the continuity of the teaching and learning process.

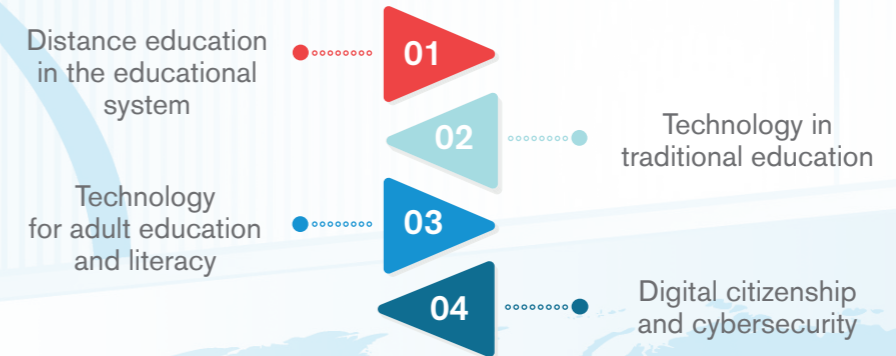

## ►► Objectives
